

# PHYSICAL THERAPY SERVICES

## Treatment Features:

We focus on manual therapy and exercise therapy. Exercise therapy is based on a foundation of Pilates, with a focus of correct spine and pelvic positioning, and Pilates breathing, combined with physiotherapy and rehabilitation.

## Our Services:

Musculoskeletal management  
Accident or sport injuries  
Whole-body fascia balancing

Posture/movement correction  
Movement training  
Postpartum recovery

## Treatment Duration

45 minutes  
60 minutes  
90 minutes

### TERMS & CONDITIONS
