花膠與茶相遇 – 武夷奇蘭
Fish Maw with Qilan Wuyi Rock Tea

溫潤細膩的花膠，佐以王順明「武夷奇蘭」。馥鬱蘭香與武夷岩韻相互交織，茶湯清潤而富層次，茶韻巧妙平衡花膠豐厚的膠質感，使口感更顯圓潤協調。入口蘭香縈繞，岩韻悠長，齒頰留香。

Silken fish maw is paired with Wang Shunming's Wuyi Qilan, a distinguished Wuyi rock tea renowned for its orchid aroma and mineral character. The tea elegantly balances the fish maw's rich, gelatinous texture, creating a refined and harmonious tasting experience. Delicate floral notes linger gracefully on the palate, culminating in a long and memorable finish.
